Dear Potential Sponsor:

The VISD Education Foundation seeks to “make magic” in the lives of students and educators as we help light the way to a brighter future! Such inspiration and innovation happen in the classroom as educators are awarded Grants for Great Ideas and through dual credit scholarships for Victoria East and Victoria West students. Total funding for our programs to date exceeds \$560,000 impacting over 77,173 students!

To help us generate even more academic excellence this year, we are thrilled to present **Michael Carbonaro, magician, as seen on truTV in his hit show The Carbonaro Effect will perform on February 15, 2020, at 7:30 p.m. at the Victoria Fine Arts Center.**

*A performing magician since his youth, Carbonaro studied experimental theater at New York University with the aspirations of entertaining audiences through a variety of theatrical mediums, including hidden-camera magic, which he later showcased frequently on “The Tonight Show with Jay Leno.” Michael’s extensive list of accolades includes the “OUTFEST Best Actor” award as well as the “Magician of the Year” honor, bestowed upon him by the Academy of Magical Arts in 2015. In 2016, he was the inaugural recipient of the Copperfield Prize which recognizes an individual for elevating the art of magic.*

**By participating in this event as a sponsor, you can be a part of the magic too!** Enclosed with this letter is information about the goals and achievements of the Foundation, the levels of sponsorship, and a sponsorship form. **Please submit the included form and your check or credit card number to the Foundation office.** Details for the sponsor reception will be included with your tickets.

As a community, we have to nurture an environment of success that comes through the educational achievements of our students. Please join us in this phenomenal performance!

Thank you,

Matthew Albrecht  
Vice President of Development
